## Equipment – competences

Warehouse

Single-spindle CNC machines

Mechanic multi-spindle machines

## Equipment – competences

Single-spindle CNC machines

Robot deburring

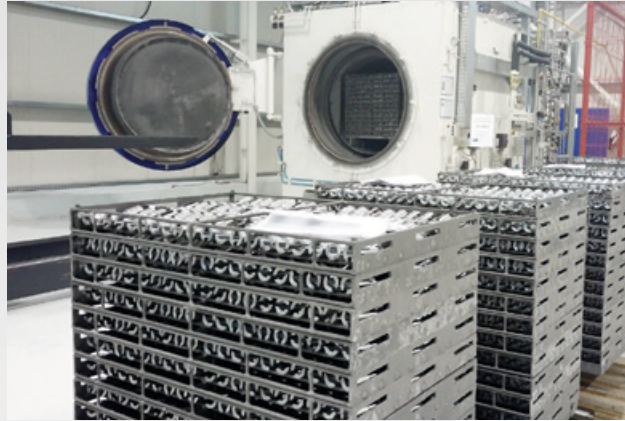

Grinding

## Equipment – competences

Hardening - inductive

Hardening - gas nitriding

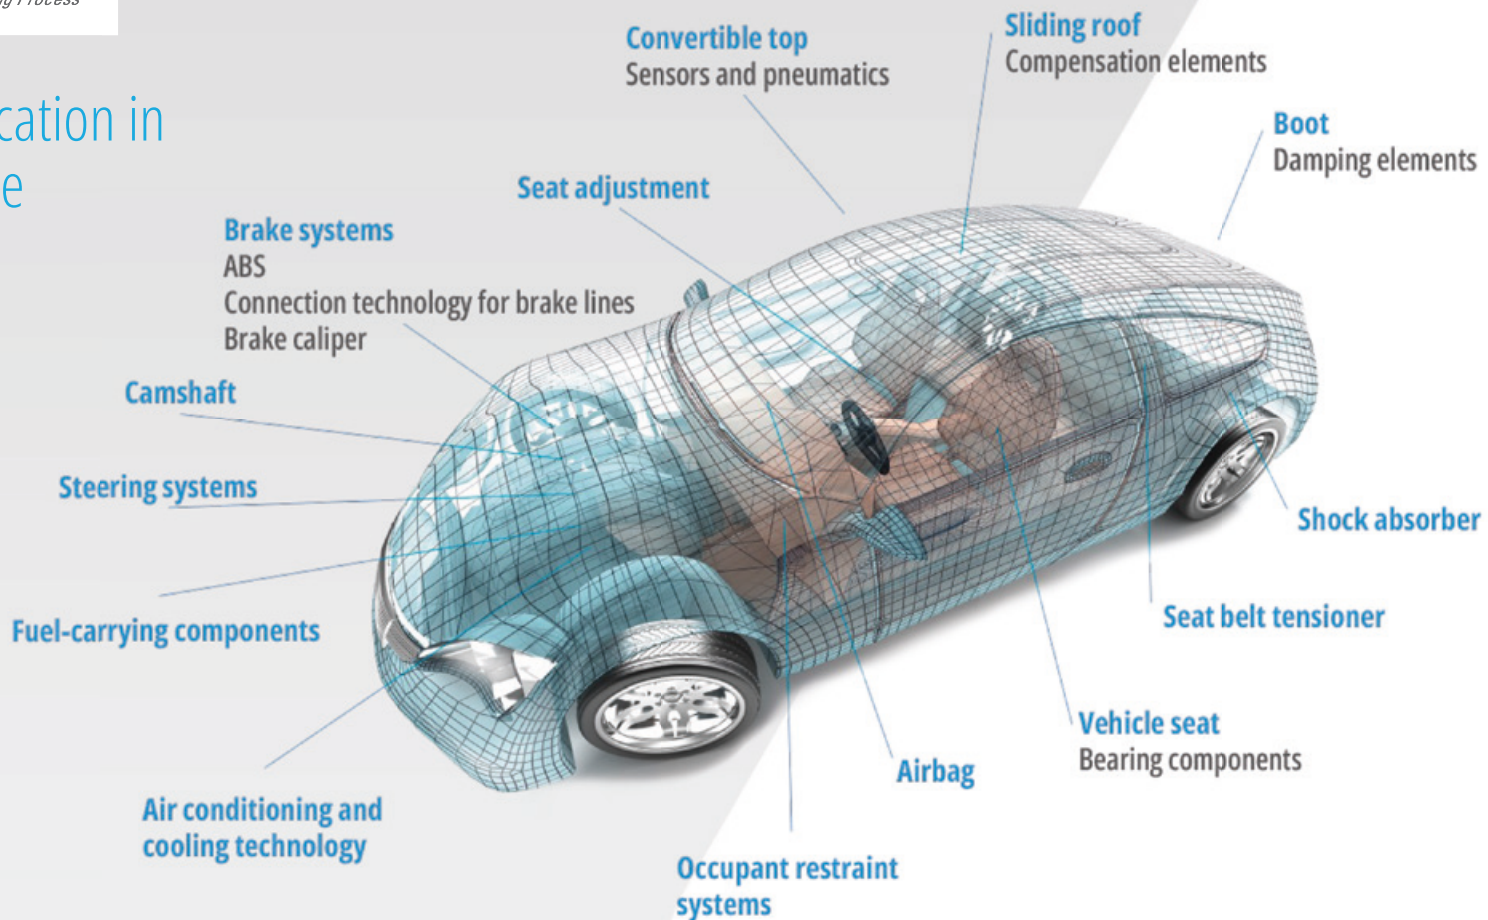

Logistics and transportation

## Thinking ahead for the mobility of the future

- We are the high-tech partner for the mobility of the future and develop complete manufacturing and process solutions for precision parts and assemblies.
- Our process competence ranges from sample and pilot series via small series to large-scale production.
- Thanks to lean production and process control based on customer requirements, we are able to manufacture and deliver reliable quality quickly and flexibly.

## Areas of application in the automobile

# Comprehensible standards for your benefit

## CERTIFICATE

This is to certify that

**Sauter Turning Process SRL**  
Str. Henri Coanda Nr. 5  
405200 Judetul Cluj
